Magazine Subscription Information

Effective January 1, 2011, SAC no longer accepts payment for magazine subscriptions to *Astronomy* or *Sky & Telescope*. All new subscriptions and/or renewals should be handled by the individual members directly with the publisher.

SAC on the Internet

SAC has several email lists. To subscribe, simply send an email to the list address with Subscribe on the subject line.

SAC-Announce@freelists.org - Sac Announce is a list used for club announcements. Traffic is usually less than six messages per month.

SAC-Forum@freelists.org - SAC Forum is a general discussion list for members to discuss the club or astronomy in general.

SAC-Board@freelists.org - SAC Board is a list for discussions of club business. If you'd like to see how the club is being run, this is the list for you.

AZ-Observing@freelists.org - AZ-Observing is not a SAC list, but many members participate. This is the list for discussions on observing around the state.

As the costs of paper, printing services, and postage increase SAC can save significant financial resources if you opt to download the PDF version of the monthly newsletter from our website. When the newsletter is published a message will be sent to the email address provided above containing a URL to the current newsletter. Please check the box if you don't have internet access or prefer a printed copy. Please send me a printed copy of the newsletter.
